

Puerto Princesa City Tourist Destination Map

Puerto Princesa Underground River

A WORLD HERITAGE SITE inscribed by UNESCO on December 4, 1999, this natural wonder features an 8.2-kilometer navigable Underground River reputed to be the world's longest that winds through a spectacular cave before emptying into the West Philippine Sea.

Honda Bay

With its white sand beaches, magnificent landscape, fishing villages and rainforests, it is a favorable destination of adventurers and nature lovers. Honda Bay is just a few minutes north of city proper, hop onto a boat and go island hopping at the emerald waters of Honda Bay.
